

Dear Holy Redeemer Parents and Students of the 2019/2020 School Year,

The Holy Redeemer Ski Club and the Administration of HR with the blessing of the Scranton Dioceses are pleased to announce an addition to next years ski program. Along with the regular Friday night Montage program, we will be offering a 3 day/2-night trip to Killington, Vermont. It is not required to be a member of ski club to attend this trip.

This letter serves a dual purpose: First, I would like to gauge the interest in a trip of this nature. Second, I would like to give both the students and parents ample notice of the date given as well as trip costs.

Tentatively, we will depart from HRHS Wednesday February 12th, 2020 after school travel to a hotel near Killington Ski Resort. We will ski Thursday and Friday and return to HRHS on Friday night. There is a scheduled half day of school Thursday and no school Friday for President's Day weekend.

Once again, I am in the very early stages of planning, I am searching for the best value but also keeping the safety of the students in mind. Keeping costs in mind, we are considering quad occupancy for the students. The price will vary with the rental or non-rental of ski equipment. While some factors may change, the approximated cost will be around 350.00 \$ per student.

There will be interest sign up sheets in the office of your school this month. Please advise your student to seek them out, they will be picked up the last full day of this school year. Next school year there will be another sign-up sheet both for Montage Ski and a separate one for the Killington Trip at Club Sign Up Day at Holy Redeemer High School. Likely, deposits for the ski trip will be due in early October 2019. A complete letter listing hotels, bus transportation, lift tickets and meal accommodations will be sent out following trip finalization. Please feel free to email me at Barry@franchelli.com with any questions.

Thank You
